

STEEL INDUSTRY

GRT Genesis is a Canadian-owned, trusted supplier of a wide variety of hi-performance Mechanical- and Electrical-grade Laminated Sheets, Tubes, Rods, Pultruded Shapes, Punched parts and Machined parts in numerous markets and critical applications.

GRT's machining and assembly capabilities are substantial, stock levels of popular Electrical-grade materials are substantial – most importantly our experience and collective knowledge of the industries we serve is substantial.

- ✓ Yoke Insulation
- ✓ Lift Cylinder Insulation and mechanical components
- ✓ OEM replacement and repair parts
- ✓ Prototyping and repair solutions
- ✓ Crane and Locomotive Rail Insulators

- ✓ Hi-voltage and Hi-temp Mast Arm and Electrode Insulation
- ✓ Bus Insulation
- ✓ Electrode Clamp Insulation
- ✓ Transformer and Enclosure Insulation
- ✓ Insulating Spacers, Washers, Bushings + Supports

GRT's expertise in machining + fabrication of critical components in numerous Hi-Temp and Hi-Voltage Electrical applications has earned us good standing with the largest and most prominent Manufacturers in Motor, Switchgear, Transformer, PowerGen, Transit, Oil + Gas, Pulp + Paper and Steelmaking markets globally.
